

Pastor Walker Monologue

My good people! This world we live in is full of strife, danger, mayhem, and all manner of debauchery. We look around us and see our youth dying everyday – our communities in crisis – and like you, I turned to him for answers. I listened, and he said to me that *I've done all that I can do- it's up to you*. Now, I didn't understand this at first but, it came to me after a night of meditation. He said that in each of us, there is the power of change. It was up to me to tell you this. And now, I give it to you. Let us leave from this place and change the world around us. Everybody in here can do it. Amen.
